

Bocce Yearbook 2011

The year 2011 saw a total of 120 players:

57 in spring

112 in summer

106 in fall.

A good turnout at our Wine 'n' Cheese party introduced several new players to the game.

William Begg explains the rules of the game to prospective new bocce players.

"When picking up the ball, make sure your left forearm is resting on your thigh. Unless you are left handed, of course."
